March 12, 2020

Dear Community Members,

Following recommendations from Toronto Public Health and the Ministry of Health and in light of the World Health Organization's declaration COVID-19 as a global pandemic, that Fife House announces the *cancellation of A Taste For Life in Toronto* on Wednesday, April 22, 2020.

Like many of you, Fife House monitoring the spread of COVID-19, and, out of an abundance of caution for the health and wellness of those in our community, feels it is best that the event not proceed.

This was not a decision that was taken lightly and affects many of our stakeholders. A Taste For Life was celebrating its 20th Anniversary in Toronto, and has raised over \$1.4 million for Fife House's programs and services.

We are urging community members, including A Taste for Life participants and donors, to consider a financial contribution to support Fife House despite not being able to host or attend the event in person. These contributions will allow us to continue the meaningful work of our Homeless Outreach Programs. Our clients are relying on your generosity:

Thank you for your continued support and we look forward to returning A Taste For Life in April 2021.

Sincerely,

Andrea Tsuji
Interim Executive Director

Stefanie McQuaid
Board President
